GREETINGS FROM KAMWOKYA CHRISTIAN
CARING COMMUNITY (KCCC) MAWA
AND HER FAMILY. KCCC would like to
thank you for the generous
contribution you are making towards
the education and life of Maria.
Maria is in good health so is her
mother. Her mother gave birth to a
baby girl in September. Maria was
very happy and excited, she is now
at school but is looking forward
to going back home to play
with her. At her school, the
Mawa and her friends had a trip
to Dio's world, this is an amusement
park for young children. This was
made possible by your support.

Yours, Nassari Aitch
social worker
